## **Food and Nutrition Service**

*TITLE:* Team Nutrition Database

*OMB CONTROL NUMBER:* 0584-0642

*SUMMARY OF COLLECTION:* The collection of this information aims to help the mission of USDA's Team Nutrition initiative, which is to support national efforts to promote lifelong healthy food choices and physical activity by improving the nutrition practices of the Child Nutrition Programs. The collected information helps to build and maintain a stronger network among organizations participating in the Child and Adult Care Food Program (CACFP) and schools participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) committed to providing healthy meals and environments for their program participants. It helps to keep these entities up-to-date with the available resources developed under the Team Nutrition initiative to support the nutrition standards of their respective Child Nutrition Programs. The Team Nutrition initiative of the United States Department of Agriculture's Food and Nutrition Service falls under SEC. 19. [42 U.S.C. 1788] TEAM NUTRITION NETWORK, Child Nutrition Act of 1966.

*NEED AND USE OF THE INFORMATION:* The purposes of the team nutrition network are— (1) to establish State systems to promote the nutritional health of school children of the United States through nutrition education and the use of team nutrition messages and material developed by the Secretary, and to encourage regular physical activity and other activities that support healthy lifestyles for children, including those based on the most

recent Dietary Guidelines for Americans published under section 301 of the National Nutrition Monitoring and Related Research Act of 1990 (7 U.S.C. 5341);

(2) to provide assistance to States for the development of comprehensive and integrated nutrition education and active living programs in schools and facilities that participate in child nutrition programs; (3) to provide training and technical assistance and disseminate team nutrition messages to States, school and community nutrition programs, and child nutrition food service professionals; (4) to coordinate and collaborate with other nutrition education and active living programs that share similar goals and purposes; and (5) to identify and share innovative programs with demonstrated effectiveness in helping children to maintain a healthy weight by enhancing student understanding of healthful eating patterns and the importance of regular physical activity.
